CHENNAI, TAMIL NADU

The inaugural ceremony was attended by distinguished dignitaries, industry veterans, regulatory officials and leading pharmaceutical manufacturers from across South India.

Industry experts, regulatory officials and thought leaders shared insights on:

- Revised Schedule M & GMP Compliance
- Pharma Exports & Global Opportunities
- Pharmaceutical Quality Standards
- Strategic Leadership
- Negotiation Skills & Brand Marketing

Conference Highlights

The two-day conference featured insightful presentations and panel discussions by renowned speakers covering critical topics shaping the future of the pharmaceutical industry.

In Association with

Day 1 Highlights

- Overview of the Indian Pharmaceutical Industry
- Regulatory Updates and Compliance Requirements
- Revised Schedule M and Good Manufacturing Practices (GMP)
- IDMA TNPBSB & PRONTO Brand Awards
- The Trust Economy of South India Healthcare
- Strategic Thinking and Visionary Leadership

Day 2 Highlights

- Pharma Exports in a Changing Global Landscape
- Opportunities and Challenges for Indian Manufacturers
- IP 2026 – Strengthening Pharmaceutical Quality Systems
- Negotiation Skills for Business Growth
- Brand Marketing and Market Expansion Strategies

The conference sessions attracted a large audience of pharmaceutical manufacturers, quality professionals, regulatory personnel, entrepreneurs and industry decision-makers.

In Association with

Industry Participation

Pharmac South 2026 witnessed strong participation from companies representing:

Nutraceuticals
Pharma Machinery
APIs & Intermediates
Contract Manufacturing
Laboratory & Analytical Equipments
Cleanroom & Automation Solutions

The exhibition floor facilitated thousands of business interactions, product demonstrations and partnership discussions.

Regulatory Focus

A major highlight of the event was the presence of senior regulatory authorities from both Central and State Drug Control Departments. The keynote address by the DCGI emphasized:

- Strict implementation of Revised Schedule M
- Strengthening Quality Management Systems
- Global Competitiveness of Indian Pharma
- Digital Transformation in Regulatory Processes
- Patient Safety and Product Quality

These discussions provided valuable guidance for pharmaceutical manufacturers preparing for evolving regulatory requirements.

In Association with

Business Networking & Opportunities

The exhibition provided a highly effective networking platform for:

- Manufacturers
- Suppliers
- Distributors
- Contract Manufacturers
- Service Providers
- Regulatory Professionals
- Industry Associations

Exhibitor Feedback

Here is what our Exhibitors have to say about Pharmacsouth 2026

Laptop

My Father has been Participating in PharmacSouth for years and I'm the second generation participating. The event has been Interesting, we met and interacted with a lot of potential Clients. And Hope to see this Exhibition grow further down the lane.

Ipsons

We have been coming to Pharmacsouth for years now and the exhibition has always met our expectation. We are already

we have been in a long standing partnership with PharmacSouth since years and all I'd have to say is the exposure has been great.

MMC Healthcare

The Exhibition is very useful and we get a good exposure from participating in these exhibitions.

Neoscience

The experience has been good, a great exposure meeting people in the pharmaceutical industry and interacting with them!

Event Outcome

Pharmac South 2026 successfully delivered a comprehensive platform that combined business opportunities, regulatory awareness, technology showcase and industry networking.

The event strengthened connections across the pharmaceutical value chain while promoting innovation, quality compliance and sustainable growth. "The overwhelming response from exhibitors, delegates and visitors reaffirmed Pharmac South's position as South India's leading pharmaceutical business and networking platform."

Looking Ahead

Building upon the success of the 2026 edition, Pharmac South will continue to serve as a catalyst for industry growth, collaboration and technological advancement, bringing together the pharmaceutical community to shape the future of healthcare and manufacturing excellence in India.

Thank You

"The success of Pharmac South 2026 reflects the continued confidence of the pharmaceutical industry in this platform. We thank all exhibitors, visitors, delegates, speakers, partners and supporting associations for making the 11th edition a resounding success."
